

CADETS PRIMED FOR BIG DRILL

Boy Soldiers Begin Annual
Competition at Ball Park
This Morning.

The annual competitive drill of the high school cadets of the District will begin today at 9:30 o'clock. The drills will be held at the American League ball park and will end tomorrow afternoon. The closing feature of the spectacle will be a dress parade and a review of the cadets by army officers. Nearly 1,100 cadets will participate.

The largest number of cadets in the high schools in previous years was 700. An increase of 400 this year added six companies to the brigade, making a total of eighteen companies. The brigade is divided into two regiments.

Five companies from McKinley High School will drill this morning and five from Central High School this afternoon. Eight companies from Eastern, Western and Business high schools will compete tomorrow.

The winning company will be awarded the prize banner tomorrow afternoon, after which the cadets will parade before Brig. Gen. E. M. Weaver, of the coast artillery. The only charge for admission will be tomorrow afternoon.

Companies for Today.

Arrangements for the drill were made by Assistant Superintendent of Schools Stephen E. Kramer, who has supervision over military instruction in the public schools; Lieut. E. Z. Steever, and Maj. Wallace McCathran, military instructors. The companies of the Second Regiment from McKinley High School, which will drill this morning are: Company H, Capt. D. C. Cooper; Company B, Capt. Robert Rudolph; Company F, Capt. Carl Zobel; Company D, Capt. Dewey Zirkin; Company A, Capt. John Stockard, and of the First Regiment from Central High School drilling this afternoon: Company I, Capt. Louis Turner; Company D, Capt. Joseph Belcher; Company C, Capt. Herbert Jones; Company B, Capt. A. S. DeNeale, and Company A, Capt. Leo Simon.

PLANNING STADIUM FOR SHAKESPEAREAN PLAYS

The construction of an open-air theater on the Washington Monument grounds, where classical plays, particularly those of Shakespeare, will be enacted by amateur players, has been proposed by a group of wealthy Washingtonians. Among those interested in the plan are Mr. and Mrs. R. D. Shepherd and Mrs. Christian Hemmick. The plan has been outlined to Col. W. W. Harts, who, in company with Mrs. Hemmick and Mrs. Shepherd, has gone over various parts of the Monument grounds adaptable for the project. Col. Harts estimated the theater could be provided at a cost of perhaps \$500. The idea for the egyptian theater arose over the presentation of the Shakespearean masque on the grounds Saturday night.

A Cedar Chest Is a Most Useful Thing in the Home

Useful in more ways than one. Lots of housewives like to put their linens in them for the delightful odor they get, and others use them as they would a dress trunk. But the most common use at this season of the year is to pack away the winter garments, blankets, etc., out of the harm of moths, dust, dirt and summer pests. They are a good investment, and are handsomely polished and finished; some are plain and others are trimmed with brass or copper. May be had in various sizes, made of finest cured Tennessee Red Cedar and priced from \$7.50 to \$25.00.

Choosing the Dinnerware, Water Pitchers, Ice Tea Glasses and Other Tableware Needs for Summer

Carefulness of quality and amplexness of quantity has been our watchword. Because wares for summer use in the cottage, bungalow or cabin are inexpensive there is no reason or excuse for inferiority. We have a plentiful assortment, all of which is slightly, attractive, good and moderate in price.

The China or Dinnerware is the most important, and we have provided a splendid choice in American and English Porcelain of the first quality throughout. As we bought all of this ware early we are able to save you quite a bit on the purchase prices now.

Dinner Sets in 100 pieces or service for 21 persons as low as \$6.75; good patterns of the newest sort.

Especially good patterns in English Porcelain that are copies from expensive Doulton wares, at \$22.50 for 100 pieces.

Gray Stoneware Water Pitchers, in several styles; they keep water cool an unusual length of time and ice does not melt in them as quickly as in ordinary pitchers, 25c each; Tulip Water Jugs in a variety of colorings; excellent for ice water, 25c each.

Colonial Table Glass. The enthusiasm for things colonial in tableware and homefurnishings lends prestige to this glass which has always been very popular. We show several variations of pattern, and a complete assortment of all pieces.

Ice Tea Tumblers, in regular size, smooth and well finished; special price, 60c dozen.

Glass Water Pitchers; Plain Blown Glass Water Pitchers or Jugs, also Optic and Colonial Glass; a number of styles and a great range of sizes, 20c to \$1.15 each.

We also would direct attention of summer home-makers to the complete showing of Toilet Sets and White Enamelled Wash Stands. The Toilet Sets present several effective colonial designs in plain colors and band patterns that will be particularly well liked. The Wash Stands are thoroughly sanitary.

Ice Tea Sets in pressed glass at \$1.25 up to cut glass at \$5.00; the beautiful deep-etched Ice Tea Set in thistle pattern with new style glasses and covered jug is one of the handsomest we have ever shown; unusually good value, \$5.00.
